The pay roll of the Vermont Marble Co., Proctor, Vt., for the month of August was \$112,000. This is the largest roll in the history of the country.

The entries for the races at the Caledonia county fair September 19-21 are the largest known in the history of the fair. In the 2:28 class there are 21 entries and the race will be divided and trotters started separately.

A spark from an engine fired the Brown hay barn at the Barney crossing in Swanton about midnight Friday night, destroying the building and contents. A quantity of baled hay owned by Dr. Noyes Burton was stored in the barn awaiting shipment. The barn was insured for \$250.

Dr. F. A. Edwards, who has been in general practice in Pittsfield during the past few years, has bought Dr. Grou's practice and will go to Waterbury in a short time. Dr. Edwards is a graduate of Baltimore Medical College, class of 1903, and has been health officer and also school director of Pittsfield.

A blind doe was found Thursday in the barn yard of Mrs. Hiram Winslow Sudbury. The animal entered with the cattle and was suffering from a birdshot wound in the head which caused the blindness. Warden Thomas was notified and ordered D. F. Lawrence to shoot the animal. Mr. Thomas went to Sudbury but the doe had taken to the woods.

The Vermont trotting horse Advance, the amount of imports through the Burlington customs district during August was \$329,343 upon which the duties amounting to \$90,725.71 were collected. This is the largest amount collected in any August in 11 years. The amount collected last August was \$71,010.08. The amount of exports last month was \$385,817.

who won the \$3,000 purse at Milwaukee, Wis., last week and was accused of being a ringer, was born and bred in Chittenden county by its present owner L. N. Chase. The sire was Ormsbee, who was owned by Dr. Seward Webb for many years and is now owned by Mr. Chase. Advance will start in Illinois this week.

George Briggs and family went from Brandon to Montpelier Saturday, where they will reside in the future. Mr. Briggs has been a prominent citizen of Brandon for many years and his departure will be regretted by a large number of people. He was a member of the law firm of Ormsbee & Briggs, which was formed in 1871.

Veterans are beginning to flock to the Vermont soldiers' home, Bennington, and it is expected that the accommodations will all be used this winter. Two have been admitted this week, John Stewart from Bennington, who served during the Rebellion in Co. E, 10th Vt. Vols.; he is 65 years old and in fair health. Ira B. Williams, readmission, left the home about five years ago and has just returned; served with the Third Vermont Battery.

Joseph Remely of Middlebury died very suddenly Saturday morning from the effects of a hemorrhage. He was an employee of the Addison house and left his home as usual Saturday morning for work, although he had not been feeling well for the past two weeks. He was going from the house to the barn when he was suddenly taken ill. Dr. Dorey was summoned and was soon on the scene but could give no relief, as he lived only about 20 minutes after he was stricken. Mr. Remely was 61 years of age and is survived by a wife, two daughters and a son, Mrs. Nellie Harrington of Crown Point, N. Y., and Mrs. Lizzie Wheeler of Bellows Falls and Charles Remely of Middlebury with whom he lived.

Private John D. O'Brien of Troop E who has been in the guard house at Fort Ethan Allen awaiting the result of a court martial trial for fraudulent enlistment has received his discharge, the discharge being a dishonorable one. O'Brien, when he enlisted, claimed his age as 15 years. Judge John T. McDonough of Albany was retained by William O'Brien of Waterbury to defend his son in the court martial proceedings. When he was being tried Judge McDonough appeared for the boy and argued that since the boy was under 16 years of age and therefore not qualified to be a soldier, he could not be subjected to court martial. The court held the same view and forwarded its findings to General Grant, who was the reviewing officer. General Grant sustains the court.

Gas Company Secures Franchise.

The Belows Falls & North Walpole Gas Co. has been granted the right to lay its pipes through the streets, etc. This company was incorporated in July with a capital stock of \$50,000, and the question of granting a franchise has been before the board of trustees during the past month. Balliff J. J. O'Connor refuses to sign the franchise unless the question of granting it were brought before the voters in a village meeting, therefore the franchise bears the signature of only two of the balliffs, Dr. O. M. George and A. L. Field. Dr. George was one of the incorporators of the gas company, and also a stockholder. Before signing the franchise he disposed of his stock and resigned from the company.

Strange Story of a Book Agent.

One morning last week a cadaverous young man with a valise called at the office of a busy lawyer. "Mr. Rangle," he said, "can I sell you a history of Menard county?" "Why, that happens to be the county I was born and grew up in," said the lawyer. "What is the book worth?" "Four dollars a copy." "I'll take one." To Mr. Rangle's surprise the caller burst into tears. "What's the matter, young man," he asked. "Was the shock too great for you?" "It wasn't what I expected!" sobbed the book agent. "I had made a bet of \$5 you'd kick me out!"—Chicago Tribune.

ANOTHER WONDER OF SCIENCE.

Hiology has Proved that Dandruff is Caused by a Germ.

Science is doing wonders these days in medicine as well as in mechanics. Since Adam lived, the human race has been troubled with dandruff, for which no hair preparation has heretofore proved a successful cure until Newbro's Herpicide was put on the market. It is a scientific preparation that kills the germ that makes dandruff or scurf by digging into the scalp to get at the root of the hair, where it saps the vitality; causing itching scalp, falling hair, and finally baldness. Without dandruff hair must grow luxuriantly. It is the only destroyer of dandruff. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.
